PRODUCT & PRICE LIST

Covid-19

We have put together a collection of Covid-19 specific goods, PPE and various other items which are geared towards the current Covid-19 pandemic and its effects on the workplace. This is just to give you a general idea of what we can offer and is sure to change as the markets open. Be sure to keep checking back to see what new items have been made available.

If you do not see something in the product list that you are looking for, please contact us with the details so that we can source it for you. Please email any queries through to claudia@woyisa.co.za

Covid-19 specific terms and information

Items are available, items like the face masks and hand sanitisers are in extremely high demand now. We have already seen that the availability on these items fluctuates on a minute by minute basis. We will always ensure availability before quoting, but without a confirmed order we cannot reserve any stock.

Some of the products are manufactured according to orders placed, therefore minimum quantities may apply.

We partner with our clients and therefore we will work with you for a solution and ensure your needs are met.
